APPENDIX A
APPENDIX C

COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This Collective Bargaining Agreement is entered into between the COUNTY of COOK (hereinafter referred to as the "Employer" or "County") and the Service Employees International Union 73 (hereinafter referred to as the "Union").

ARTICLE I Recognition

Section 1.1 Representative Unit:

The County recognizes the Union as the sole and exclusive representative for all employees of the County in the job classifications set forth in Appendix A of this Agreement as certified by the ILLRB Case # L-RC-07-001.

Section 1.2 Union Membership:

The County does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

The County will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement. For this purpose, the County shall notify the designated Union business representative of the starting dates of new employees within thirty (30) calendar days of their start.

Section 1.3 Check-off:

With respect to any employee from whom the County receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the County, the County shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made.

Section 1.4 "Fair Share":

1. The County shall grant "fair share" to the Union in accordance with Sections 6(e) (g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees, or (2) will pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.

2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.5 Religion Exemption:

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

Section 1.6 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Article. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

ARTICLE II

Employer Authority

Section 2.1 Employer and Union Rights and Obligations :

The Union recognizes that the County has the full authority and responsibility for directing its operations and determining policy. The County reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the County shall abide by and be limited only by the specific and express terms of this Agreement, to the extent **permitted by the law.**

The Employer and the Union recognize that this Agreement does not empower the Employer to do anything that it is prohibited from doing by law.

Section 2.2 Union and County Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and County agree to meet at least once per quarter through designated representatives at the request of either party and at mutually agreed upon times and locations. The Union and County shall each designate not more than three (3) representatives per department to a labor-management committee for this purpose.

Section 2.3 Integrity of Bargaining Unit:

Non-Bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where a supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the Employer. This provision does not limit the employer's right to hire seasonal employees to assign work to them. Seasonal employees shall be defined as employees who work forty (40) hours or less per week for a maximum of six (6) months per year. Such exceptions shall not be used to avoid hiring bargaining unit employees.

Section 2.4 Labor Management Meeting on Career Development:

Labor Management meetings will be held quarterly by each department to discuss employee training and education. Department Labor Management Committees shall also make recommendations to the County concerning courses and in-service training to enhance career opportunities for employees in their departments' respective bargaining units. The County will appoint a specific management representative to this department Committee within thirty (30) calendar days of the effective date of the Agreement.

ARTICLE III

Hours of Work and Overtime

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Regular Work Periods:

The regular work day for full-time employees shall remain according to prior practice and procedure. If any work periods need to be changed the employer shall first meet with the Union to negotiate such changes. The length of paid lunch periods and breaks granted by each department shall remain in effect. The regular work day shall consist of eight (8) consecutive hours of work, including a one (1) hour paid lunch period and two (2) 15 min breaks.

Section 3.3 Compensatory Time and/or Overtime Compensation:

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.
- B. Employees who are required to work overtime will be compensated at a time and one half of compensatory time.
- C. When overtime is required, and the corresponding compensatory time would work and undue hardship on the efficient department operations, the Chief Administrative Officer, The Chief of the Bureau of Health Services or the Chief Financial Officer of Cook County, each for their respective department, may authorize the payment of cash overtime if the sufficient budgeted funds are available. The department head must give prior written notification to Chief Financial Officer or Cook County, as appropriate of the reasons requiring paid overtime, the positions affected and the probable period of time the overtime work will be required. All such overtime will be compensated at the time and one-half.
- D. Compensatory time shall be reclaimed in a minimum of one-hour increments.

Section 3.4 Safety - Unsafe Working Conditions:

Employees who reasonably and justifiably believe their safety and health are in danger due to an alleged unsafe working condition, equipment or vehicle, shall immediately inform their supervisor who shall have the responsibility to determine what action, if any, should be taken, including whether or not the job assignments should be discontinued.

Section 3.5 Overtime Work:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The Employer will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs and who normally and customarily perform the work involved, except that in cases of emergency the Employer may assign the overtime work to

any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit. In the event an employee for any reason does not received a fair share of overtime, the employee shall not be entitled to payment for overtime not worked, but the Employer will, when the matter is called to its attention, give preference to such employee with respect to future overtime assignments for which he/she would be normally eligible until a reasonably fair balance in the overtime distribution is reestablished. The Employer shall maintain such records as may be necessary to establish the overtime hours worked by each employee, such records shall be available for inspection by the Union.

Section 3.6 Emergency Related Overtime:

If an employee covered by SEIU Local 73 agreement is called back to work after the completion of the regularly scheduled shift, the employee shall receive minimum of (3) hours compensation at one and one-half times the employee's hourly pay.

Section 3.7 Flextime:

Flextime schedules may be granted if practicable to do so for legitimate and compelling personal reasons. Request for flextime schedules shall be submitted by the employee at least two (2) weeks in advance or when the situation is first known to the employee but in no event less than one (1) week before the flextime schedule becomes effective. Such request for flextime shall not be denied on a discriminatory or arbitrary manner.

ARTICLE IV Seniority

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be six (6) months. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of his/her most recent hire.

Section 4.2 Definition of Seniority:

For purposes of this Article, seniority is defined as an employee's length of most recent continuous employment with Cook County since his/her last hiring date as a full-time employee and as a regular part-time employee entitled to benefits pursuant to Article V. Seniority for such regular part-time employees shall be prorated.

Section 4.3 Promotion, Transfer:

In cases of promotion and transfer, employees shall have first preference in order of their department seniority, provided that the employee has the ability and qualifications to perform the required work.

Section 4.4 Reduction in Work Force, Layoff and Recall:

Should the County determine that it is necessary to decrease the number of employees within a job classification within a department, the employees in the job classification shall be laid off in inverse order of seniority within the department provided, however, the retained employees have the ability and minimum qualifications to perform the required work. Where possible, surplus employees and the Union shall be given notice thereof at least thirty (30) days prior to the effective date.

To avoid layoff, each affected employee or Union representative must notify the County within five (5) working days of receipt of written notification of the layoff that the employee intends to exercise his or her seniority by bumping in accordance with the following steps in sequential order:

1. Employees identified for layoff will be listed in order of seniority. Employees then will be allowed to exercise their rights under this section in the order of seniority with the most senior employee acting first.
2. Employees subject to layoff shall be offered a vacant position as deemed available by the Office of Budget and Management Services in his/her current job classification in the SEIU bargaining unit under the Offices of the President provided they have the present ability and minimum qualifications to perform the required work.
3. If no vacancy exists, the affected employee will be allowed to bump a less senior employee within his/her current job classification throughout the Offices under the President.
4. In the event there is no employee with less seniority within the same job classification as the employee being laid off, that employee may bump the employee with the least seniority in the next lower pay grade down within the department first provided the employee being laid off has more seniority than the employee being bumped and is minimally qualified to perform the job functions immediately with reasonable orientation. Employees who accept jobs in lower job classifications to avoid layoff shall be paid in accordance with Article V Section 5.3C. of this collective bargaining agreement.
5. If there are no bumping opportunities in the next lower pay grade down for the employee identified for lay off, the employee then will continue to the following lower pay grade sequentially in the Offices under the President until a placement opportunity arises. If there is an available position in the next lower pay grade down from the employee who is exercising bumping rights, he/she must either accept the position or be laid off. No employee may forego a bumping opportunity to take a position in a lower pay grade. The bumping process for any employee will end when the first position is available for which the employee is qualified. The employee must accept that position or accept layoff.

All employees affected by the layoff must be present at the meetings. SEIU Local 73 is authorized to and will make a selection on behalf of any absent employee or any employee who otherwise is unable to attend the meeting.

An employee who is laid off as a result of this procedure shall be subject to recall in order of seniority before a new employee is hired in the job classification previously held by him or her at the time of the reduction in force. Employees shall have their salary restored to the applicable grade and step.

For the purposes of layoff, ties in seniority shall be broken by using the lower of the employees' Cook County Identification numbers.

Section 4.5 Promotion and Shift Assignment:

Employees in the same job classification and in the same department, but on a different shift, where applicable, will first be given preferential consideration for a change in shifts in accordance with Section 3.

Section 4.6 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned by the County to his/her former job or in an equivalent position, within ninety (90) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and qualifications to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the represented unit may ask to return to his/her former job within ten (10) working days after commencing work on the new job. An employee who receives a new job under this procedure shall not be permitted to bid for another job for one (1) year thereafter, and an employee who returns to his/her former classification under this procedure will not be permitted to bid again on the same job for one (1) year thereafter.

Section 4.7 Return to Represented Unit:

An employee who has been promoted or transferred out of the represented unit, and who is later transferred back to the unit by the County shall upon return to the represented unit be granted the seniority he/she would have had, had the employee continued to work in the classification from which he/she was promoted or transferred.

Section 4.8 Termination of Seniority:

Absence from work because of layoff or any other reason for twelve (12) months in the case of an employee with less than one (1) year of twenty four (24) months in the case of an employee with one (1) or more years of service, or thirty six (36) months in case of an employee with seven years or more of service when the absence began, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;

Section 4.9 Transfer of Stewards:

Employees acting as Union stewards under Article XI, Section 6, of this Agreement shall not be transferred from their job classifications or departments because of their activities on behalf of the Union. Any transfers of Union stewards from their job classifications or departments, other than in an emergency, will be discussed with the Union at least five (5) days in advance of any such transfers.

Section 4.10 Seniority List:

As soon as possible, the County will furnish the Union a list showing the name, number, address, classification, department and last hiring date of each employee, and whether the employee is entitled to seniority or not. The County shall post a similar list without employee addresses. Within thirty (30) calendar days after the date of posting, an employee must notify the County of any error in his/her last hiring date as it appears on that list or it will be considered correct and binding on the employee and the Union from that time forth and forever. The County will furnish a revised list to the designated Union business representative upon request. After furnishing any such list, an employee must notify the County of any error within ten (10) calendar days thereafter, or the information so furnished will be considered correct and binding on the employee and the Union until a subsequent list is furnished by the County as provided herein.

Section 4.11 Job Posting:

When job openings or vacancies, including transfers, occur within the bargaining unit in a particular department, or when new classifications are created and ready to be filled, the County will post a notice on all bulletin boards in the affected department where notices to employees are normally posted. These job postings will be for a period of no less than **ten (10)** working days.

Employees in the affected department desiring to bid on such vacancies may do so, and the job will be awarded in accordance with the provisions of section 3 above. Employees shall not lose compensation for work time expended to interview within their respective departments.

ARTICLE V
Rates of Pay

Section 5.1 Job Classification/Rates of Pay:

Employees in the job classifications set forth in Appendix A to this Agreement shall receive the salary provided for their respective grade and length of service in the job classification. Employees will be increased to the appropriate step upon completion of the required length of service in the classification.

The salary grades and steps applicable to this bargaining unit shall be increased as follows during the term of this agreement:

Effective the first full pay period on or after June 1, 2013 the pay rates for all classifications shall be increased 1.00%

Effective the first full pay period on or after June 1, 2014 the pay rates for all classifications shall be increased 1.50%

Effective the first full pay period on or after June 1, 2015 the pay rates for all classifications shall be increased 2.00%

Effective the first full pay period on or after December 1, 2015 the pay rates for all classifications shall be increased 2.00%

Effective the first full pay period on or after December 1, 2016 the pay rates for all classifications shall be increased 2.25%

Effective the first full pay period on or after June 1, 2017 the pay rates for all classifications shall be increased 2.00%

Section 5.2 New, Changed or Misclassification:

- A. During the term of this Agreement, the County may establish new and changed job classifications, and change the duties of existing job classifications, provided that a major alteration of the classification structure shall not be made. The County may put the new and changed job classifications or duties into effect after timely notice to the Union, and discuss and set the rate of pay with the Union, using the duties, responsibilities, qualifications and grade levels of the classifications in Appendix A as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the County may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.
- B. An employee who believes that he/she is working out of classification may request that his/her position be reclassified. If the Department Head agrees that the request is reasonable and/or justified, the Department Head will recommend to the County that this reclassification be included in the forthcoming departmental budget. The County will discuss any reclassification with the Union prior to implementation. No later than thirty (30) days after the Board of Commissioners approves the County budget, each respective department head shall inform each applicant for reclassification whether his/her reclassification has been approved or denied. The Union shall be given a copy of the County Budget recommendations within a reasonable time of its submission to the County Board.

Section 5.3 Classification and Grade Changes:

If an employee is promoted, reclassified, demoted or transferred into another classification through the application of this Agreement, the following rules shall apply:

A. Promotions:

An employee who is promoted to a job in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least two (2) steps above the salary received at the time the promotion is made, provided that:

1. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
2. The new salary is not below the first step established for the grade to which the employee is promoted.

In all cases of promotion, the effective date will set a new anniversary date for the purposes of the salary schedule only.

B. Reclassification:

1. An employee whose job is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date.

If the salary rate received immediately prior to reclassification is less than the last step rate of the lower classification, the employee shall be entitled to further step advancement.

2. An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade which provides an increase one (1) step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

C. Demotions:

The following shall apply to demotions from one grade to another:

1. An employee performing the duties of a job continuously and demoted to a job in lower salary grade, shall have the salary adjusted in the new job to the same step of the new salary grade as was received in the salary grade of the job from which demoted.
2. An employee promoted to a job in a higher salary grade and subsequently demoted to a job in a lower salary grade, shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted.

D. Transfers:

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee had been receiving at the time of transfer. Such appointment shall not set a new anniversary date.

Section 5.4 Newly Certified Positions:

Upon notification from the Union to the Employer and its human resources director, the Employer agrees to meet with the Union within 60 days thereafter to discuss the placement of newly certified bargaining unit positions on a wage scale.

Section 13.14 Mileage:

Employees covered by this agreement shall be reimbursed at the current allowable IRS rate. Employees shall be reimbursed for all work related traveled miles. Mileage reimbursement reports shall be submitted by the 1st day of every month and reimbursement shall occur within 45 days of submittal to the department. All other matters related to mileage are subject to Cook County ordinance.

Section 13.15 Direct Deposit:

The County will implement a direct deposit program to the financial institution of the employee's choice when it is capable of doing so, however, in no event later than 1998. The receiving financial institutions must be capable of receiving direct deposit.

Section 13.16 Orientation:

The County shall grant the Union thirty (30) minutes at the end of the orientation of new employees to present the benefits of union membership at which time the Union may give the employees a copy of this Agreement.

The County and the Union agree to communicate monthly regarding the time and place of the orientation. A steward designated by the Union shall be given reasonable notice of the orientation and he/she shall also be released with pay for such purpose.

ARTICLE XIV
Discipline

Section 14.1 General:

Disciplinary action will be imposed upon an employee only for just cause. Discipline will be imposed as soon as practicable after the Employer is aware of the conduct or event giving rise to the discipline and after the Employer has had a reasonable period of time to investigate the matter. Prior to any meeting which could lead to discipline, an employee will be advised of his/her right to Union representation at that meeting.

While the parties agree that discipline should be timely, the parties also acknowledge that a determination of whether discipline is timely depends on the facts and circumstances of each case. While it is the County's policy to endeavor to issue discipline within thirty days of the County's knowledge of the incident giving rise to that discipline, the failure of the County to do so within thirty days, in and of itself, shall not be the sole basis for granting a grievance and overturning a discipline decision.

Section 14.2 Form of Discipline:

The Employer agrees with the principles of fairness and consistency in imposing discipline. Generally, disciplinary action will include the following steps:

- Oral reprimand
- Written reprimand
- Suspension
- Discharge

In determining what disciplinary action is appropriate, the Employer will consider the nature and gravity of the misconduct, the employee's disciplinary record and any mitigating circumstances. Certain serious misconduct may result in suspension or automatic discharge as defined in the Rules and Regulations Governing Employee Conduct.

Oral warnings and written warnings shall remain in an employee's personnel file, but will not be considered for purposes of progressive discipline after twelve (12) months, if the employee has not additional discipline for the same or similar offense. Suspensions will remain in the employee's personnel file, but will not be considered for purposes of progressive discipline after forty-eight (48) months if the employee has not received discipline during that forty-eight (48) month period.

If the employee or union claim in any grievance or arbitration proceeding that the employee has a "clean" or "unblemished" record, the County will be free to use any discipline issued to the employee regardless of the provisions of this section.

Section 14.3 Training:

The Employer will train supervisors in the fair and consistent administration of this policy.
